PUB & GRILL

The Overseas Pub and Grill, one of Marathon's most historic landmarks...Located at Mile Marker 49 on US 1 in Marathon, Florida

Broastering®” is a unique cooking method developed in 1954 combining the principles of a pressure cooker and a traditional fryer into one process. The result is a far higher quality and much more flavorful chicken

The Overseas Pub and Grill offers:

a family-friendly and full service restaurant with comfortable outdoor seating

2 full liquor bars (located inside and also on our back patio)

Custom-designed beer chilling system for the **coldest beer in town at 32°F**

Bar-top ice rail to keep your drinks as cold as possible

Genuine Broaster Chicken®, a unique cooking method that pressure seals a chicken's natural juices in and locks the cooking oil out.

Certified Angus Beef® for all their burgers and steak dishes

7 flat screen TVs for great sports viewing and 68 well-lit, off street parking spaces.

The Overseas Pub and Grill is the perfect destination for families and friends, both local to the Keys and visiting from afar. Their motto is: **Be Good or Be Gone!**

Spring Chicken

A new kind of eatery hatches

Spring Chicken combines the farm-fresh goodness of home-style Southern cooking while still delivering a field-to-kitchen ethos that we call “friendly food.” The world speeds on and time may dictate our busy life-styles, but it does not mean our tastes buds or the quality of food we consume should suffer.
