

# Frozen Food Dispensers

## YOUR FRYER'S TRUSTY SIDEKICK

If your deep fryer had a best friend, it would be a RAM. It dispenses ready-to-fry product on demand so your staff always cooks from 100% frozen. That means crispier food, longer-lasting oil and a happy, happy fryer.

R280

R200

R160

### BENEFITS

- Cooking directly from frozen eliminates uneven temperatures and improves end product quality
- Slows oil degradation from excess moisture
- Limits handling of product and promotes food safety
- Lets your staff work faster and more efficiently

Automated portion control on most models

Maintains FIFO for freshness and product quality

Pays for itself within a year based on labor and wastage savings

## FROZEN FOOD DISPENSERS ARE BUILT TO SERVE FROM TOP TO BOTTOM

- Able to put out more product per hour than competitive machines
- Programmable for peak times
- Frozen foods kept at an optimal temperature of 18°F
- Removable, stainless steel parts for easy cleaning
- Reversible freezer door
- Ergonomically designed basket trays
